

# trugs™ Check

To **'check'** fluency and speed of processing skills after each trugs box

The card game within the **trugs Check** deck is called 'Beat it' simple to play and similar to the card game 'beggar-my-neighbour'.

**trugs Check** decks for all ages, but trugs check 3 is ideal for GSCE students to improve the speed of their reading processing skills.

Each box contains: ■ 72 cards ■ Instructions

# trugs™ PICS

Ideal for EFL and EAL students

**trugs PICS** bring an exciting dimension to the **trugs** range.

Colourful picture cards help players by making visual connections with words and short sentences.

For all students and students whose first language is not necessarily English

- Word cards are phonetically structured to develop reading skills
- Picture cards are designed to widen vocabulary
- Word/picture cards are grouped into categories to extend understanding of words

Each deck has five cards games. They can be played as many times as an individual would like as they progress through the **trugs** phonics Stages, developing their vocabulary and establishing connections of words by matching words/ pictures with the different categories.

Each box contains:  
■ 4 decks of 36 cards totalling 144 cards  
Each deck has 5 graded games  
■ Instructions

# trugs™ for schools

Contains: 5 Stages - 20 card games in all,  
1 Explanation Card, 1 Story Booklet,  
1 Pupil Record Booklet and Instructions.

Each of the three trugs boxes has 5 stages with:

**Four decodable card games...** three games; practise, reinforce and consolidate phonics knowledge – one game for language extension and literacy development.

**One Explanation Card** at each of the 5 stages to explain the synthetic phonics knowledge at each stage.

**One Story Booklet** with two compatible decodable stories at each stage to practise specific phonics knowledge.

**One Pupil Record Booklet** to track and monitor individual pupil progress professionally and effectively.

- easy to deliver
- incidental reading
- requires no training
- all staff/parents can use trugs effectively
- students love the games and ask for more

## What teachers say...

At last! We have an extremely effective and thoroughly enjoyable means of teaching children to read. In all honesty, pupils are fully engaged in learning to read – without knowing it. A second-to-none phonics resource. **Mr Lucas**

Our most used resource. We have to hide it at lunch time! **Barbara Raby**

WOW I am blown away. I work with secondary pupils with reading ages of 6 and below. You have saved the day.

**Amanda Tweedale**

The fun and laughter that was generated was just amazing – learning through fun – great. **Sue Bailes**

I am using all three **trugs** boxes and they are excellent. We are nearly at the end of Box 3 with a small group of students and their word reading has improved enormously.

**Rebekah Knott**

# trugs™ at home

- home/school support for reading
- just play the same three fun card games as in **trugs for schools**
- reading improves through laughter
- the phonics structure is numbered so is easy to follow

Contains: 5 Stages -  
15 card games in all, with instructions.

Each of the same 5 stages has:  
Three decodable card games, the same games and structure as those in **trugs for schools**.  
All new words to double effective reinforcement.

## What parents say...

**trugs** is a fantastic resource. When my daughters were playing **trugs** they were having so much fun that they did not realise they were learning at the same time.

**Karen Harding**

The games are so simple to play, but the thinking behind them is so clever with the different games and the bright colours making them so inviting to youngsters.

**Jon Gerrard**

**trugs** has arrived and is being enjoyed by all the family.

A great help with making learning to read fun. Thank you. **Diane Reis**

Just wanted to say how pleased both my children (4 and 6 year olds) are with **trugs**. They just wanted to keep playing! With my eldest, her first words this morning were... 'mum, can we play **trugs**'. I couldn't believe it!

**Melanie Carpenter**

## Tricky Words

High-Frequency decodable and Non-decodable words. Practise, reinforce and consolidate high-frequency words using these two Tricky Words decks (72 cards) with three multi-sensory card games per deck and one Instruction leaflet.

### Tricky Words 1

66 words selected from the 100 high-frequency words within Letters and Sounds, Appendix 1 page 193

### Tricky Words 2

66 words selected from the 200 high-frequency words within Letters and Sounds, Appendix 1 page 195
