trugs license: personal and tutoring use

Thank you for choosing trugs. The idea is that you can print and play the trugs cards, on paper or on screen, as great resources and games to help young people to read words successfully.

This license covers:

- trugs printables you buy or download from readsuccessfully.com;
- Card Packs you print from the trugs Card Table with a trugs Tutor Pack, a Tutor License or a free trial;
- recording and sharing trugs, as set out below.

The Buyer acknowledges that the purchase or download of any Read Successfully Ltd trugs digital printable product, or access to the trugs Card Table, comes with a non-exclusive limited use license that the Buyer may use for their own personal use and tutoring use only. The files are licensed to a single user for use on their computer(s) only. You agree to these terms by completing the transaction, download or sign-in.

How long this license lasts
