Play trugs "Get it" (for 2 players)

Find the two Master Cards. Put one in front of each player. Shuffle the pack and place face down.

Player 1 lift the first card from the pack, cover the word with your fingers. Look at the shape in the corner.

Refer to the Master Card and look at the coloured words corresponding to the coloured shape in the corner of the card. 'Reader' reads each of these words . Both guess which word it could be. Each player reads their chosen word out loud.

Show the word and read the word. The person who selected correctly keeps the card in front of them. If no-one selected correctly the card goes to the bottom of the pack.

Player 2 goes next, until no cards left. The winner is the player with most cards at the end.
